I AGREE to serve as supervisor of the student's dissertation. I understand that my approval does not guarantee that the student will pass the fourth semester review and be continued in the PhD program; the faculty as a whole must make this determination. If the student does pass the fourth semester review, I agree to convene a PhD committee meeting in the following semester and at least once every following year until the student finishes. I have read the advising guidelines in the Graduate Handbook and agree to abide by them.

I DO NOT AGREE to serve as supervisor of the student's dissertation.
