

External Graduate Coursework Form

History of Art and Architecture

University of Pittsburgh

This internal departmental form is to be filed in the graduate student's folder. It will serve as record for the level of coursework taken at an external university. Courses marked as "graduate" level will count towards the student's graduate credit total (72 credits needed for PhD graduation). The student's record and coursework is always subject to the approval of the HAA department and the Dean's Office.
